

# Digital billing:

## A simpler, safer way to manage your medical bills

**At Enhabit Home Health & Hospice, we're committed to expanding what's possible for patient care in the home. That includes making billing more convenient, secure and easy to manage.**

With digital billing, patients receive a text or email notification when their billing statement is ready to view online. This paperless option streamlines the experience and helps protect your information.

### Why choose digital billing?

- **Convenience:** View your billing statements online anytime.
- **Security:** Reduce the risk of lost, stolen or misdirected mail with secure online billing.
- **Sustainability:** Help reduce paper waste and support environmentally friendly practices.
- **Efficiency:** Manage and pay your bills quickly and easily through our simple online system.

### Managing your billing preferences

If you prefer to receive paper statements by mail, you can update your preference at any time:

1. **Log in to your account** through our secure online billing portal.
2. Go to your profile and select **Contact Settings**.
3. Turn off the **Paperless Billing** option. You'll begin receiving printed statements by mail.

**If you need help updating your preferences or navigating your account, call Enhabit Home Health & Hospice at 469-517-9508 (home health) or 945-468-5086 (hospice).**
